Dear Professor,

Your student,, has requested a letter of recommendation from you in order to be considered for admissions to the session **of the AUCP full-French immersion program in**

Recognized by the French national Ministry of Education, the American University Center of Provence provides a rigorous all-French academic and cultural immersion experience for students from America's finest universities. Ideally, AUCP students are mature, motivated, intellectually curious, and open-minded. For more about our programs, please see www.aucp.fr.

A high intermediate level of French is required for admission. In response to this consideration, students must supply one of their two letters of recommendation from a professor able to attest to their current level of French language proficiency. If such is your designation, please address your estimation of the student's abilities in speaking, writing, and both reading and listening comprehension.

Should you wish to recommend this student to us, please compose your signed letter on university letter head and

- send it by fax or by post (see details above)
- scan it in pdf or jpeg format and upload it directly to the AUCP admissions website at or attach it to an email addressed to info@aucp.fr

If you have any questions about the recommendation letter or AUCP admission procedures, please contact me at engle@aucp.fr

We thank you in advance for your time and consideration.

Sincerely,

Lilli Engle
President
