Dear Professor,

Your student,, has requested a letter of recommendation from you in order to be considered for admissions to the AUCP Summer Session 2011 in Aix-en-Provence, France.

Recognized by the French national Ministry of Education, the American University Center of Provence provides a rigorous all-French academic and cultural immersion experience for students from America's finest universities. Ideally, AUCP students are mature, motivated, intellectually curious, and open-minded. For more about our programs, please see www.aucp.fr.

For the summer program, see: http://www.aucp.fr/sous_pages/aix_summer/aix_portal.html.

The summer program welcomes students of elementary to advanced levels. In order to determine entry level competence, students must supply a letter of recommendation from a professor able to attest to their academic work, personal maturity, and current level of French language proficiency. Please address your estimation of the student's abilities in all four language skills: speaking, writing, and reading and listening comprehension.

Should you wish to recommend this student to us, please compose your signed letter on university letter head and

- send it by fax or by post (see details above)
- scan it in pdf or jpeg format and attach it to an email addressed to info@aucp.fr.

If you have any questions about the recommendation letter or AUCP admission procedures, please contact me at engle@aucp.fr.

We thank you in advance for your time and consideration.

Sincerely,

Lilli Engle
President
